

Cable Car Opening Bids

Opening Bids Only

These opening bids were devised by **Mr. Steve Altus** of Stanford, California, United States; originally of Tampa, Florida, United States. World Bridge Federation Code: WBF Code: USA&500003. Mr. Steve Altus won The Red Ribbon Pairs national bridge championship in 1994, which is held at the Spring American Contract Bridge League (ACBL) North American Bridge Championship (NABC). His partner was Mr. T. C. Petty.

The reference to *Cable Car* is mostly likely owing to the fact that the city of San Francisco, California, is well known and famous for its rather unique mode of transportation with cable cars, which travel and traverse the streets of the city.
